

PUBLIC INFORMATIONAL MEETING
APRIL 11TH AT 6:30 pm

WHAT IS IT? Each year we hold an informational meeting for everyone to come in and ask questions that are not answered in detail or even not allowed during Town Meeting. There are still a few things we can't discuss like personnel and legal issues.

WHEN? The meeting starts at 6:30 and our Fire and Ambulance folks will be there cooking up some good old hot dogs. Feel free to bring some cookies or cupcakes to share.

WHO WILL BE THERE? The Board of Selectmen, most Department Heads and the Town Manager will be available to answer questions.

We will start with a brief PowerPoint that updates everyone on several issues: The budget, Comp Plan, Recreational Complex and our aging population.

Once we have finished that it is open to your questions until 8PM. Now if you have some complicated questions that may need research I would appreciate a heads up so I can do the proper research before the meeting.
